FIRST PARISH BREWSTER UU BOARD MINUTES March 19, 2020 Zoom Meeting

Members in Attendance:

Jim Hild, President Carol DiAnna, President-Elect Pat Stover, Past President Susan Smith, Clerk Diane Pansire, Treasurer Marian Brunck, Member at Large Katharine Farnham, Member at Large Liz Gordon, Member at Large Frank Re, Member at Large

Staff in Attendance: Rev Jessica Clay, Twinks Hastings

Spiritual Opening/Focused Check-in Jessica led us in our opening and check in.

Centering Discussion Jessica led us in a discussion of <u>Centering</u> to page 127. Next month we will read to page 153.

Jessica's Evaluation feedback This discussion will be tabled until a later time. One point for discussion will be what is the congregation's responsibility?

Minister's Time Jessica We are in the first week of physical distancing and sheltering in place in light of the Coronavirus pandemic. Our world has changed and we are looking at a long haul. Although a decision hasn't been made, Jessica is concerned about her ability to care for everyone, while living in physical isolation alone. She is proposing to go to live with her family in Salt Lake City, Utah and do the work from there. She is confident that she can continue to perform as she is now. She will see how it goes and return at the first sign of physical distancing measures being lifted. The Board was generally in support.

Financial Diane The Finance Committee has created the dream budget. Where does that leave us, getting everything we aspire to on a gross of \$400,000, \$35K short on salary \$30K short on operating expenses? With the plunge in the markets and a certain recession, these are financially uncertain times, incomes and portfolios are negatively impacted. The Heed Fund currently has \$5,000, with two requests for assistance. There is a financial surplus this year, which will hopefully cover the offertory we may lose and the Thrift Store \$5,000/month we will lose. We have a bit of a cushion. So much is unknown. Can we have our auction? We are

mid-way through our stewardship campaign. We are committed to pay staff, who are working from home except for Ted who comes in and Jennie doing special projects like painting. Danica, recovering from shoulder surgery, will be back at the beginning of April. Gratefully, Susan Flaws comes in. The Offertory during online worship will be scrolling "text to give". Diane would like to see us change next year to a concept of having an aspirational budget before the stewardship campaign, to involve the congregation.

Policy Katharine, There is nothing to report at this time, as there was no meeting last month. We will postpone a discussion of consolidating our committees until a future meeting.

Facilities Plan/Capital Campaign Jim Our meeting with Dan Hotchkiss has been set, so hold the June 18 date. He is sending us an agreement. Jessica will keep us posted.

Review of Goals Jim **GA 2020**. Our best guess is that GA will be moving to an all virtual gathering. Hotel reservations can be canceled until mid-May. **Coronavirus response** The Thrift Store will be closed down. Linda is cleaning the store now, and volunteers need to stay home. Our new manager Celine will have reduced hours, while she organizes and gets ready for a reopening. **LDC & Candidates** Judy says two positions are unfilled. At the next Board meeting we will get a report with candidates. **The Building Committee** made a report that they have found a very affordable steeple and clock repair solution, using a steeplejack, who works without expensive scaffold. The Board expressed appreciation that the committee found this bid and passed a motion to accept the steeple proposal.

Other updates Faith Family Kitchen is continuing to provide meals, served by handing take-out bags through the window. **St. Joseph's Shelter** will still provide meals as we continue to do that work in the crisis. Planning for **FPB Summer Camp** is on hold at this time. Worship Service and all meetings are moving to video conferencing, **Zoom** sessions.

Consent Agenda The Board voted unanimously to accept the Consent Agenda which consisted of the February Board minutes, the Special Meeting Board minutes, the President's Report, the Minister's report, Admin and Finance report, Lifespan Faith Development report, and Financial reports.

Pat would like to write a letter of appreciation to all staff thanking them for all they are doing at this very challenging time.

Check out/Closing

Respectfully submitted, Susan Smith Clerk

President's Report, 16 April 2020

We continue to work this month under stress and concern of Pandemic coronavirus (Covid-19), which resulted in closing the Church, meeting electronically with people sequestered in their homes. The Board, as well as, other groups within FPBUU are working at home and meeting with each other electronically via Zoom (an electronic meeting app) when needed. The Board successfully met last month using Zoom and will be doing the same this month and most likely for several months to come. Rev Jessica, Carol DiAnna and I met via Zoom at the beginning of April to discuss the Agenda of our April Board meeting. Carol DiAnna, Pat Stover and I also met via Zoom before our April Board meeting to discuss our approach to completing our Board goals for this Church year as well as relevant topics to be discussed at our April Board meeting.

This month, the Board will be addressing where we are in our stewardship campaign as well as where we stand in meeting this year's financial commitments. Given the possible decrease in revenue because of the current financial crises in the country, we will address what the Finance Committee recommends and what the Board then may need to do to finish out this year's budget commitments. An example being: scheduled fundraisers may need to be modified or canceled, losing that budgeted income. Given the temporary closing of the Thrift store, will reduce the income projected for this church year.

General Assembly (GA) will most likely be canceled or possibly conducted electronically in some manner. I and many others are saddened by the loss of a GA experience in Providence RI, that logistically is so close to us on the Cape this year.

It appears that we have adjusted to working at home and communicating with each other successfully. Having to adjust to being isolated from each other and the community in general, is not an easy adjustment to do. We are learning new ways to occupy our time at home. Our Board trustee, Marian Brunck and others are making much needed face masks to give to the medical community. Thank you Marian. Others of us are reaching out to church members to check in with them, to see if they need help, but to also reassure them that we are all in this together.

Our minister, Twinks Hastings and the Worship Committee have been hard at work setting up weekly Zoom sessions that members of the church can attend which helps keep us informed as well as staying in touch with each other. In addition, they have been producing Sunday services which have been attended by well over 100 people each Sunday.

I am encouraged by the way our minister, church leadership and our church members who have risen to the occasion and adjusted to being isolated in our homes because of the Covid-19 pandemic. The interruption of being isolated and not being able physically attend church services and meetings along with so many of the Cape's businesses closing, has greatly affected our normal routines and ways of doing business. This too will pass. Stay safe.

Minister's Board Report for April 2020

Overall thoughts:

I am so grateful to the FPBUU Board for their hard work in supporting our congregation. Thank you for all that you are doing. I think that overall the congregation is weathering this pandemic well, even though it is wearing on us all.

Worship and Rites of Passage:

Online worship began as of March 22nd, our attendance has been increasing since then. We are averaging around 150 people attending our worship services. The worship services are a lot of work for Twinks, Karena and I, and providing that there are no deaths in the week prior, we will be taking off Sunday April 19th and encouraging our people to worship with other Cape Cod congregations. We will be sending out links for this. I have had an average of 15 people for the short Wednesday night vespers service, these have been very sweet and I think people are benefitting from them.

Pastoral Care:

I continue to be in very close contact with Tavia Ossola who is in charge of pastoral care and helping hands, as we monitor the needs of the congregation. Several days during the week I have been individually reaching out to members to check in on them as well. Our caring circles seem to be working well, and some people have reported they no longer need phone calls to check in. So far, I have not heard of anyone in the congregation being ill from COVID-19. Twinks and I are offering 5 different online opportunities each week for the community to gather, people seem to be taking advantage of them and appreciating them.

Social Justice in the Public Square:

I received an ask from a member of our community around supporting the Wampanoags and sent out a video request to the community to call their representatives regarding the recent decision to steal the Wampanoag's land. I am in close contact with social justice as we change up the split plate organizations to try to send money to the organizations that are providing relief during this pandemic.

Administration:

Karena and I met with the Stewardship Committee co-chairs this week prior to the finance meeting. We will be meeting again towards the end of the month. Around half of our pledges for next year have been received, and we will be doing an ask for the remaining pledges around the beginning of May, once we have passed the peak of this virus. Karena and I drew up draft budgets for the remainder of this year and for next, which you will see in the board packet and I will discuss in detail in the board meeting.

Serves the Larger Unitarian Universalist Faith:

GA will be virtual, unfortunately. It has not been announced as cancelled yet because the UUA is waiting until the stay at home order has been extended into June so they can get a refund on their hotel and convention center deposits.

Report from Administration and Finance Director – April 2020

Pledges & Financials (see the cover page of the financial reports for more info)

- For FY19-20 we currently have 226 pledge units for a total of \$386,906 pledge commitments.
- For FY20-21 we currently have 106 pledge units for a total of \$240,615 pledge commitments
- I submitted the Federal Payroll Protection Plan loan application with Cape Code 5, April 7th, 2020. We could receive up to \$73,000 in funds, which can be forgiven if used per guidelines such as: three quarters of funds received must be used for qualifying payroll expenses, such as salary, health insurance and retirement payments and we must maintain our current payroll. I am not sure how quickly I might hear back on the status, but I will follow up as soon as I know more.

Property Management

- As you are probably aware, I changed the codes on the buildings last week. This was a decision I and Rev. Jessica made to ensure the safety of those few staff and volunteers who are still working on campus. If anyone needs to get in one of the buildings, they can contact me, and arrangements will be made.
- I met with the Building Maintenance Committee this week, and all upcoming special projects have been put on hold. Rog Smith has reached out to the company for the steeple repairs to determine any issues with delaying those repairs for a year due to the current situation. Any urgent property needs requiring funds will be brought to the Board for consideration, but the consensus of the Committee was that we are in pretty good shape.
- Jennie has been taking this opportunity to do some of the needed interior painting of the buildings; and Celine is busy cleaning up and organizing the stores along with setting up a more robust online presence for our Thrift Store.
- Landscape Committee members have been working on different parts of the campus following all the current physical distancing and other CDC recommendations. Keeping everyone safe is top priority.

Administration as Ministry

- I have had to learn how to do "all the things" differently; setting up new systems to adapt to the current situation. I am very grateful for our amazing Minister and dedicated staff; they continue to be a big support during this time. I also am immensely grateful to Susan Flaws, who continues to serve FPBUU by picking up and dropping off mail, checking phone messages, tracking pledges and other tasks as needed; she deserves an award! Working in this community at this time is truly amazing. And although working right now is exhausting, it is at the same time full of purpose and a beacon within this storm of uncertainty.
- I am preparing for if/or when no one is able to go into the office. Currently, Ted goes into the office to pay bills, make deposits and enter payroll. I am following guidelines from the UUA and AUUA (Association of Unitarian Universalist Administrators) and thankful for the support from both of these organizations. I have attended webinars and zoom meetings; read pages and pages of resources to best educate myself to help FPBUU navigate this as best as possible. The truth is, there is way too much unknown to really feel prepared, but I am reaching out and asking questions and listening to those with more information than I. I do have a tremendous amount of faith in the UUA's ability to provide steady guidance and support.
- I have met several times with my COVE team via Zoom; to provide fellowship and building new skills together. These sessions have been incredibly moving and hopeful, and I am aware of what an amazing resource this congregation is to so many during this challenging time.
- I continue to meet virtually with the staff that I supervise as needed for support and guidance.

Worship and Congregational Support

• It has been a pleasure to collaborate and offer support for Sunday Morning Worship via Zoom. It's been an imperfect process, and the appreciation of the congregants for what we have been able to provide for worship and support during this time of physically distance fills my soul. Being required to work on Sundays does prevent me from attending to other commitments, but we are all making adjustment during this time.

Blessings, Karena Stroh, Administration and Finance Director

<u>Overview</u>

This has been the most whacky month of my employment at FPB

Programing

We have successfully established on-line classes for all of our programs, Pre-K through Youth Group. The pre-k class meets before worship and it's a beautiful way to start the day – 6 littles waving and watching themselves move on the screen. Elenita and Judy finished out their teaching weeks online and did an unbelievable job. They created a full-scale cave in their house and dropped supplies off to each kid. We even have a child from Scotland participating. Myself and four members of the committee are working on the May program, I will be teaching with support from one of them each week.

I have been teaching COA and Youth Group. Both groups will do their respective services online. There is much disappointment amongst the seniors who will not get to walk over the bridge. If there is a suitable moment in the next church year for them to do this, I would like to make it happen.

One of our middle school youth had brain surgery this past week, Rev Jessica joined me and we hosted a healing/support circle the night before. She is doing well.

Our attendance has never been better.

<u>Lifespan</u>

Each week I hold a zoom parents/care givers circle. Fun Friday program and a lunch hour. I have been joining Jessica's zoom time as well to stay connected to the congregation.

Families

Each CYM member has adopted 3-4 families and calls once a week to check-in. I am also calling all the families and following up with any concerns from the CYM folks. Most families have reached out to me in person either with struggles or gratitude for what we are doing to support them at this time. I continue to take calls and provide as much comfort as I can. Our families are struggling.

I also through a series of random events I was able to facilitate food parcels (with the help of Tavia and Laura Gill) to many of our families who have one or more parents out of work and some other members of the congregation. It felt good to help with that need.

CYM Committee

This committee as ever are rocking this challenge. We are working well together to do what we can. The Brewster in Doom parade (that's the working title) will take place on May 2nd.

No bubbles will be blown as it was established that they were in fact just floating balls of plague.

Worship

I am supporting Jessica with worship. I am so impressed by Jessica's newly developed tech skills and leadership in this time.

In conclusion

There are no words for this time. My work is helping give me a sense of purpose through this challenge, and for that I am grateful. This congregation has risen to the task with grace, humor, bravery and love. I am lucky to belong. In some ways I feel a much deeper connection to our families through this, even though it is incredibly tough, our kids are resilient and beautiful and it's an honor to be part of this with them.

Twinks Hastings, Director of Lifespan Religious Education

First Parish Brewster Stewardship

As of 4/9/2020 we have the following in pledges for FY2021:

109 Pledge Units for a total of \$242,135

By Category:		New:	4
\$15,000+	3	Increased:	35
\$7,500-\$14,999	2	Same:	50
\$5,000-\$7,499	10	Decreased:	<u>20</u> 109
\$2,500-\$4,999	17		105
\$2,000-2,499	3		
\$1,000-\$1,999	28		
\$500-\$999	25		
\$1-\$499	<u>21</u> 109		

The Stewardship Committee plans to put pledge notice reminders in the weekly Angle through the month of April coupled with a few selected phone calls.

In May there will be a more direct appeal via mail, email, phone calls as well as announcements during our online Sunday services.

It is too early to predict where we will end up in terms of a total pledge amount. The Stewardship Committee continues to work with the Finance Committee to help craft a realistic budget for FY 21.

Also, we have discussed the possibility of a second campaign in the early fall, if needed. This is not without precedent, even in years when there was no pandemic! Step by Step.

In Faith,

Susan Flaws & Tavia Ossola Stewardship Co-chairs
