Staff in Attendance Rev. Jessica Clay, Twinks Hastings **Visitor in Attendance** Suzanne Sullivan

Spiritual Opening/Focused Check-in Rev. Jessica read the poem *Stretch* by Rev. Theresa I. Soto. Our theme this month is *renewal*. Rev. Jessica introduced Brene Brown's *Engaged Feedback Checklist*. We read the list aloud to each other, and then each of us shared an experience when someone modeled this for us. Rev. Jessica encouraged us to follow this advice when offering feedback to members of our congregation. Rev. Jessica read a *Soul Matters* meditation on Renewal and encouraged us to renew and repair a relationship this month.

Reading of Board Covenant Carol read the Board Covenant.

Widening the Circle Discussion (pages 1-20) - Rev. Jessica noted that <u>Centering</u> was the book that was read by the Board last year. It segues nicely into this year's book. Members of the Board reflected on selections from the assigned reading that resonated with them. Rev. Jessica recommended John Buehrens' book entitled <u>Conflagration</u>: <u>How the Transcendentalists Sparked the American Struggle for Racial, Gender, and Social Justice</u>. Rev. Jessica noted that the UUA has given a group of Unitarian Universalists two years to examine and assess all seven principles to ensure that they are comprehensive and current. Jessica recommended that we reach out to each other to discuss the book further. Our reading assignment for next month is to read the

Covid 19 Task Force Update Katharine, Rev Jessica, Carol D, and Suzanne Sullivan. Proposed Covid 19 guidelines are in the September Board Packet. Suzanne has some concerns about the policy. Suzanne noted that we are all struggling to deal with the new realities of the pandemic. The steering committee of the Women's Circle Alliance met to explore better ways to support their members and keep the group together. Isolation and anxiety are severely impacting the older generation. Suzanne stated that the Covid 19 policy may not be the best solution for our elders. The Women's Alliance is looking for ways that a small group can gather in the sanctuary to serve the older members of the community. Rev. Jessica noted that our policy parallels the UUA policy. Katharine explained that there is no ventilation in the sanctuary because the windows don't open. Rev. Jessica noted that our Covid policy is a policy that will change as the circumstances change. Katharine suggested inviting an older person to your home to watch the service over Zoom with you. It was noted that our policy follows state quidelines but it doesn't state that it does. Rev. Jessica said that our policies are living documents that can be changed and recommended that we go with the wording here and allow groups to get together outdoors while the weather allows. The Board voted to endorse the policy proposed by the Covid 19 Task Force with the following edits: change the word "guidelines" to "procedures," and add the word "current" to indicate that it is subject to change in the future.

Covenant Task Force Report & Vote for Goals/Objectives and Members Susan and Katharine are Board liaisons to the Covenant Task Force. A small group (Katharine, Susan Carol D. and Bill) will develop a short list of potential members of the Covenant Task Force. The Board voted to approve the Goals and Objectives.

8th Principle Task Force Report & Vote for Goals/Objectives and Members
Tom and Carol Y. are Board liaisons to the 8th Principle Task Force. The Board
voted to approve the Goals and Objectives.

Intern Minister and Tech Support Susan Smith. The Board needs to take care of the staff. Rev. Jessica and the Board are worried about staff burnout. Staff

members are being asked to do more than was expected of them before the pandemic. Tech support is needed to support the staff. Other congregations are doing this. The PPP loan required us to keep all staff at the same level throughout the year. That was changed to 60-70 days. Burnout is an issue and we don't want to lose staff. Should we lay off Claudia for 1.5 hours per week or just keep her at \$15/hr.? The Board voted to lay her off while we are not in session. We will let her know that we would love to have her back as soon as we can. It was suggested that each Board member write a note to Claudia, expressing gratitude and hope that she will return. Sophie Friend was paid through the summer as promised, but payment was discontinued in the fall. Cleaning services are continuing and should be continued. Jessica is head of staff but she would like the Board's support on staff issues. The Board voted to hire someone up to \$20 per hour to do the tech support job in accordance with the job description.

Director of Lifespan Religious Education's Report Twinks noted that religious education is starting back next Sunday. Twinks and Rev. Jessica met with parents and learned that there is Zoom burnout and kids are longing to be together. Twinks has an engaging and fun program for CYM this year. The Chalice Children will meet once monthly over Zoom. Middle schoolers were supposed to do OWL this year but the program cannot be delivered online. Our youth will be working with UU youth from across the country. It has been very difficult for our kids to be isolated.

Consent Agenda – July 2020 Board minutes The Board voted unanimously to accept the Consent Agenda which consisted of the July Board minutes, President's Report, Minister's Report, Admin and Finance Report, Lifespan Faith Development Report, and Financial/Budget Reports

Executive Session. The Board went into Executive Session to discuss staff burnout. Rev. Jessica requested an extra week of vacation after Christmas for all staff. The Board voted unanimously to endorse it.

Check out/Closing We all shared some closing words with the group.

President's Report - October 15, 2020

Here we are five and half months making most connections with each other via zoom and I am certain that most of us are growing weary of this "new normal" especially when right now there is no definite end date to this pandemic. Last month, the Board approved Covid Procedures. FPBUU members are now allowed to gather outside wearing masks with a limit of 10 individuals with the exception of the parking lot worship services. Please go to the October 2, 2020 Weekly Angle to review the entire policy.

Thanks to our incredible minister and staff, the Board and many other FPBUU groups have been able to meet via zoom. Our Sunday Zoom Church services continue to be creative and inspirational.

As I mentioned in my September's report, the BoT's approved creating a task force of board members and congregants to work on developing a congregational covenant and present it to FPBUU members with a vote at our Annual meeting in June 2021. We also have a task force of Board members and congregants with the Goal of approving the 8th Principle at our Annual Meeting in June, 2020. (The 8th Principle – We the member congregations of the Unitarian Universalists Association, covenant to affirm and promote journeying toward spiritual wholeness by working to build a diverse multicultural Beloved Community by our actions to by our actions that accountably dismantle racism and other oppressions in ourselves and our institutions.)

This church year the FPBUU Board of Trustees believes it's important for us to analyze systemic racism and white privilege culture within Unitarian Universalism and within our own congregation. To better help us learn as much as possible about racism and white supremacy, the Board of Trustees is reading and discussing the book, *Widening the Circle of Concern* – Report of the UUA Commission om Institutional Change.

We are aware that working on our own intended or unintended racism and working to address long-term cultural and institutional change will not be easy but with open hearts and minds, I know we can and will make progress.

Ministers Board Report October 2020 from Rev Jessica Clay

Overall thoughts:

Things seem to be going pretty well with the congregation overall. There are no big issues to report.

I plan on returning to SLC before Thanksgiving and staying through Christmas with my family. I look forward to discussing this with the board.

Worship and Rites of Passage:

Worship attendance continues to hover around < 100 people on average. We had to cancel our 2^{nd} parking lot service due to low attendance and weather. We are hoping to lead another on Oct 30^{th} . This will be the final one of the calendar year.

We will be having "Bring a Friend Sunday" on Oct 18th, I hope all of the board members invite a friend to tune in.

Pastoral Care:

I continue to meet with congregants via phone, zoom, or in their backyards and these are going well. I continue to offer video messages and these average 100-200 people watching them. We attempted to restart our zoom coffee conversations but due to low attendance they were cancelled. A congregant is hoping to restart these & have them be congregant led in the next month or so. There is definite concern about isolation of members with the onset of cold weather. I continue to invite people into reaching out to others thereby extending our caring circles wider.

Social Justice in the Public Square:

The common read discussion went well and several members are doing further study around the 400th anniversary of the pilgrims arrival. I met with the co-chairs of the Building a Bigger Table group to discuss plans group focus moving into the future. I will be meeting with the 8th principle group at the beginning of November.

Administration:

Our staff retreat in September went well. I appreciate the boards support and guidance with staff changes to best support us during these Covid times. I continue to meet with the people I supervise biweekly. I met with the stewardship team and we reviewed how pledges are going and the current list of members. It is concerning how many members have not pledged yet this year (<40), but this is due in part to the pandemic occurring in the middle of the [ledge campaign. These members will be receiving letters shortly. Despite this the overall pledge numbers look good.

Serves the Larger Unitarian Universalist Faith:

Big thank you to Twinks and Karena who changed their Sundays off in order to offer the UU the Vote service, I hope many are able to tune into that on Oct 12th.

Report from Administration and Finance Director – October 2020

Financial Highlights & Pledges (see the cover page of the financial reports for more info)

- Sept 2020 Financial Reports show us with a surplus of \$24,375 and checking/savings at \$117,240.
- For FY20-21 we currently have 185 pledge units for a total of \$349,901 pledge commitments.
- The Thrift Store is at 48% of the budget as of the end of September, which is very encouraging. Celine is working to open the Annex the beginning of November featuring a Holiday Boutique.
- As of September 30, 2020, the balance on the Endowment Loan was \$119,374.68 down from \$137,318 as of January 31, 2020. All gifts to Endowment are currently being applied to pay down this loan.

Property Management

- In September, Building Maintenance Committee (BMC) members performed an adapted version of their Fall walk-around. In normal years BMC's walk-around includes both the interior and exterior of the buildings but this year they only focused on the exterior to keep everyone safe and in respect of the Covid Procedures Policy. They found some maintenance issues that we will be following up on, but no major expense is expected at this time.
- Rev Jessica and I did a separate tour of the interior campus and it was difficult knowing that it will still be some time before we are back gathering in these buildings that mean so much to many in our congregation. With sadness, I can still feel positive that we are using this time to best care for our buildings and grounds.
- Along with the locked mailbox on the ramp, we now have a large plastic delivery box at the base
 of the stair at the Winslow House office for church related drop offs and pick-ups. There two
 recent additions are being frequently used.

Administration as Ministry

- I, Tavia Ossola and Gail Webb have meet as the Tech Support Hiring Team and plan to advertise for this new position asap. Depending on the applications we receive we hope to have someone hired by the end of October to mid-November.
- The Staff were grateful for the additional week off after Christmas. Many thanks!!
- I have included in this Board Packet the Policies in Review document. I have also updated the
 document on the Board Notebook website page for your reference. This document was being
 updated by the Policy Committee when the Notebook was sent out, so I waited to share until it
 was updated.
- I am working with Membership Committee members on offering more Breeze support via videos and Zoom tutorial sessions throughout this year to further encourage members to utilize this great tool to stay connected and informed.
- I continue to meet with the Employees that I supervise every two weeks and offer support for all staff as needed. This month, I lead the Staff Meeting while Rev Jessica was on vacation.

Worship and Congregational Support

• People are still contacting the office to get gift bags and signs although the requests have slowed down. We are now offering the remaining signs for sale at the Thrift Store. We got great response to the yarn signs and think that might be something to do again in the future.

Blessings, Karena Stroh, Administration and Finance Director

Director of Lifespan Religious Education

Board Report

October 2020

Overview

CYM has started for the year and I am delighted that we still have as many children and youth participating despite the challenges of Zoom CYM. The Chalice Children will meet once a month, then elementary on up once a week. It was so great to be with them all again. We delivered "church at home boxes" to all our kids - nursery-youth group. They included all the supplies needed to enhance our zoom offerings, as well as personal alter spaces that we put together at the start of each class. The youth group were desperate for an in-person meeting so we will be gathering around the fire next Sunday. That will be good for all of our souls.

Program Leaders

I am currently teaching every age group because I have not been able to find people willing to teach via zoom, It's a hard ask, you need to be comfortable working with children and technology and that's tough. It is however not sustainable for me; I am working on training 2 volunteers for the Elementary Aged program but am in desperate need of 1 or 2 more youth advisors and then 4 more folks for the winter and spring elementary program. If you have any ideas, please let me know

Taking Flight

Our reformatted online OWL program will be starting at the end of this month. We currently have five churches participating and it's incredibly exciting, Chuck Ross and Liz Libby will be teaching the Sunday morning cohort, and myself and two facilitators from Ohio are teaching the Wednesday evening cohort. I have enjoyed planning this collaboration very much and sharing our expertise and resources with other churches who would not have been able to do this program alone. I think our youth are going to get so much out of spending time in UU space with other youth who are not from Cape Cod.

COA for Adults

We have ten participants signed up for this adult ed offering which begins this week. I am excited for this program and will be using the curriculum I developed as part of my credentialling process.

Worship

I continue to be part of leading and planning worship and covering vespers for Jessica when she is on vacation. I hope to encourage many of our families to the next parking lot worship and look forward to planning the service at the end of October.

Covid

This last 7 months has been really challenging and stressful but also beautiful, I have seen the power of our beloved community. There are so many beautiful acts of love happening between members, it's very inspiring and something I hold onto in the tougher moments. I have been doing a lot of pastoral care for families and children/youth who are struggling and am finding my own work/life balance a struggle, not even being in the hospital slowed me down, it's hard to turn off in the middle of a global pandemic, and political nightmare. To this end I am so grateful for the extra vacation week over Christmas. Thank you. And I committed to finding ways to take appropriate time off to avoid burning out.

Outreach and Professional Development

I will be attending the virtual LREDA Fall Con this month and am looking forward to spending time with colleagues. I am on track to have my credentialling interview in March.

Conclusion

This is a busy, beautiful, unprecedented time and I am very grateful for this work that sustains and fuels me.

The following policies are currently in effect and are being actively reviewed by the FPBUU Board of Trustees for consistency with current vision and practices. MINUTES FPBUU Policy Committee September 14, 2020

Held via Zoom

Present: Karen Witting (Chair), Marilee Crocker, Katharine Farnham (BOT Liaison), John Kielb, Topper Roth

Karen convened the meeting at 6:45 PM.

Karen reviewed the use of Google Drive to organize documents pertaining to the work of the Committee. Karen highlighted the "FPBUU Policy Process" within this group of documents. She also pointed out the Template for developing policies, the spreadsheet for Policy Status, the Policy Framework Hierarchy, and the list of Published Policies.

Katharine related that the BOT has not had an opportunity to develop any new feedback for the Committee on pending issues.

Karen proceeded to a discussion of two policies that are currently in progress - Conflict of Interest (Procurement) and Demonstrations.

After considerable discussion, we decided to return the latest (01-07-2020) revision of the Conflict of Interest (Procurement) Policy to the BOT. We feel that it adequately addresses the issue of potential conflicts in FPBUU members being paid for the provision of goods/services and would ask the BOT if there are any additional elements it would like to see included.

Regarding the Demonstration Policy, we discussed the question of under what conditions, if any, the police should be contacted during a demonstration on FPBUU property. Katharine wondered if some mention of de-escalation could be made, e.g., if police are be notified, the goal would be to deescalate the situation. Karen was able to do some editing of the Policy during the meeting and will circulate it to the Committee members. The BOT will have a chance to look at it again at its October meeting. John referenced the Mission Statement of the Brewster Police Department, which emphasizes collaboration with the community. This led to some additional thoughts, such as "Should we inform the Brewster PD ahead of time when a demonstration is planned?" and "Should we have the Minister/AFD meet with the police proactively to reinforce a spirit of collaboration?" These questions clearly are separate from the Policy and would need to be considered at an administrative level within FPBUU.

Karen moved on to Policies in Review. This is a collection of older documents that has accrued over the years. The current task is to pull things out a few at a time, update them, put them into our standard template, and then add them to our current Policy list. As part of this process, some of them will require BOT approval. John volunteered to take on the Special Events Policy and Marilee the Use of Facilities Policy

Regarding the Safety Policy, also in progress, Karen has completed a range of updates from the material Bob had developed last year. Should the parts be separated into individual policies or remain as parts of a single policy? In this context, John wondered why the Active Shooter Policy was separate and not part of the Safety Policy. We decided to keep the sections of the Policy as they are now (Fire, Medical Emergencies, Bomb Threats).

Karen said she would rather not continue to own this policy. Marilee said she had some thoughts about revising some sections and would be interested in taking it on. In light of this, she will not work on the Use of Facilities Policy from the Policies in Review collection, as we had discussed earlier in the meeting. John said he would absorb Use of Facilities, as it might overlap with the Special Events Policy he had agreed to work on.

Karen said she would tackle Board Organization Policies from the Policies in Review

Our next meeting will be Oct 5 at 6:30 PM via Zoom.

Karen adjourned the meeting at 7:55 PM

Respectfully submitted,

Topper Roth

Conflict of Interest Policy - FPB 2019 - Draft

First Parish Brewster Unitarian Universalist Policy

Policy Title: Conflict of Interest (Procurement)

Policy Number: 4.7

Purpose: To describe a process whereby financial conflicts of interest may be avoided in the

process of procuring goods and services

Revisions: New

Board Review Date: 10/15/2020

Congregation's Review Period: TBD

Effective Date: TBD

• -----

POLICY STATEMENT

To avoid potential conflicts of interest when awarding contracts or making other agreements for the procurement of goods and services, First Parish Brewster Unitarian Universalist (FPBUU) requires a bidding process for the purchase of any good or service whose cost is expected to exceed \$1,000 in cases when a FPBUU member wishes to be considered as the provider of the good or service.

PROCEDURES

- In such instances that the leadership and/or the Minister or staff of FPBUU has decided that a particular good or service is to be purchased whose cost is expected to exceed \$1,000 AND a FPBUU member has expressed interest in providing that good or service, the Administration and Finance Director (AFD) or a designee shall be informed and shall arrange for a bidding process or some similar method, so that a range of contractors/providers is sampled, to include at least one who is not a FPBUU member.
- Although the final choice of contractor/provider should not be based on price alone, the AFD or a designee should be cognizant of the obvious potential for a conflict of interest, should one or more of the bidders be a FPBUU member.
- The final choice of contractor/provider shall be up to the AFD or a designee, in consultation with such other interested parties as may exist, such as a Committee Chair or a technical advisor.

GUIDELINES

Members of FPBUU who wish to be considered as bidders on projects costing more than \$1,000 should be encouraged to accept the spirit of this policy, which is meant to ensure that

FPBUU does not undermine its own financial interests by routinely giving priority or preference to FPBUU members in decisions that involve the spending of budgeted funds.

STANDARDS

No standards are recommended at this time.

DEFINITIONS

Leadership - Any individual or group that has access to approved budget funds, such as Committee Chairs

Contractor/provider - Any individual, group of individuals, or commercial organization or entity whose aim is to be paid money for such goods or services as he/she/they/it may provide
