"Entrusted by the congregation, we recognize that ours is a sacred duty and we will bring our highest selves to all work on their behalf. We promise to arrive on time, come prepared, speak gently and respectfully with each other, and allow everyone time to speak. We will operate by majority vote, trying whenever possible to work toward consensus and support a decision once it has been made.

We pledge to use one-on-one communication to express concerns or resolve conflicts with each other. When communicating with the congregation and community at large, the Board speaks with one voice. Our primary commitment is to the long-range health of First Parish Brewster Unitarian Universalist congregation."

FPBUU Board of Trustees Meeting Minutes April 19, 2022 6:30 PM

By Zoom

Present: Board President, Susan Smith; Treasurer, Diane Pansire (absent); President Elect, Carol Yerby; Clerk, Rand Burkert; Members at Large Thomas O'Brien, Diane Willcox, John Kielb, Bill Roberts, Liz Libby.

Staff: Twinks Hastings, Director of Lifespan Education

Visitors: Karen Witting (Finance Committee), Susanne Sullivan, Carol Ann Yeaple

Welcome Board, Staff and Visitors – Susan Smith

Susan read from a poem by Alice Holt, which concludes: "Our offering of strong hands to help, our prayers made real. Let us begin to love."

Chalice, Spiritual Opening and focused check-in - Susan Smith

Susan Smith invited all present to reflect on their intentions for the spring: how do we wish to show "loving hands?"

Rand Burkert read the Board Covenant

Board Common Read Mistakes and Miracles-Chapter 8, p373-386

Tom O'Brien led discussion of the last chapter and summarized challenges faced by the authors in facing their own biases and lived cultural experience in seeking justice-based community.

Finance & Budget - Karen Witting

Karen reported on significant shortfalls in pledges, as a consequence of which a more modest sum for pledges is included in the budget – \$370,000.00 rather than \$390.000. (This reflects an optimistic projection that pledges will continue to come in this spring). The Finance Committee feels it may now not be possible to put in the 5.3 percent increase for staff.

Shortfalls in income can be met with use of remaining \$60,000 from unused PPP funds, but then an anticipated need in following years will not have those funds available. Looking forward in time, Karen anticipates major challenges as costs increase.

Board Members recognized that both from a programming/burnout standpoint and also economic standpoint, there is risk of losing current staff if we do not keep pace with expenses: it behooves us to find a way to maintain our commitment to gradual raises.

Susan pointed out that there are still pledges withstanding. The Endowment Board also has more funds that may be dedicated to programming. We as Board Members should also seek to communicate the financial need (and also our goals) to others in the congregation.

Karen Witting requested that the Board consider making a specific request to the Endowment Committee, for the \$8,000.00 needed to pay an Interim Administration and Finance Director to cover sabbatical leave.

John Kielb made a motion for the Board to support the Finance Committee's request to the Endowment Committee for \$8,000.00 to address this one time-need for an Interim Administration and Finance Director to cover sabbatical leave for the Administration and Finance Director. Bill Roberts seconded the motion; all approved.

Transition planning in May - Twinks Hastings and Susan Smith

Twinks gave a summary of the timeline of transition, which started with a special Vespers event last week for grieving loss of infants and other losses. The Trauma Response Team has planned a time and space on April 24th for people to share their concerns and prepare for receiving Jessica back as our beloved Minister, with some input from some outside resource people, circles run by the Right Relations team, followed by whole group discussion.

7:45 Annual Meeting planning - Susan

Susan called attention to Bylaw practices forwarded by Judy Harrison from the Leadership Committee that may need to be codified. Also at the Annual Meeting we will be asking the congregation to approve the Bylaw changes recommended by Carol Yerby and the 8th Principle committee.

Board goal #1 Living Into the 8th Principle - Carol Yerby

Saturday, May 7th, Reverend Harper of Barnstable U.U. will present on her book "The Darkness Divine." Representatives from the Social Justice Committee will attend that event; Reverend Harper may be willing to give a special presentation to FPB UU later in the year. An anticipated "Conversations on Whiteness" workshop is scheduled for the autumn.

Board goal #2 Capital campaign - Susan Smith

Susan has been working with consultant Barry Finkelstein to draft a schedule related to the opening of the Capital Campaign. Barry would like to meet with different committees, the weekend of May 21st and 22nd. The events will culminate in a worship service on May 22nd. The purpose is to take the pulse of our community in relation to the Capital Campaign.

Consent Agenda: March Minutes, President's report, Director of Lifespan Religious Ed report, Admin and Finance report, Music Director's Report, March Financial Reports

Carol Yerby made a motion to accept the Consent Agenda. Tom O'Brien seconded; all approved.

The meeting adjourned at 8:20 PM, after a sharing of reflections and gratitude.

Minutes respectfully submitted by the Clerk, Rand Burkert on May 1st, 2022

President's Report 5/17/22

Summer is almost upon us and the Cape bursts with emerging beauty. Each year our lives here change as the population swells. Church life transitions as well, as we hold our Annual Meeting, end one church year, and begin the next. Additionally, this year we transition from our leave minister Rev Bran Lennox, back to our settled minister Rev Jessica Clay. Our new sexton Dave Caolo is taking on his responsibilities, relieving Karena and many volunteers. It is such a relief to have filled that position as well as the Childcare Assistant position with Dani Goss. Please warmly welcome them both.

Once again, First Parish lives out the truism that the only constant is change. This is a challenge for some and creates anxiety, which we try to address. The leadership of the church, including the Trauma Response Team and the Right Relations Team, offered a special workshop on April 24 which was attended by 80 people, to help prepare us for some of these changes.

Another noticeable change as the weather warms and covid restrictions begin to relax, is that more volunteers are feeling comfortable coming out to support the mission and vision of First Parish Brewster. From spring cleaning to UUtheVote, from the choir to Sunday morning support, from the Spring Auction to the many committees, teams and task forces, it is an extra special treat to gather together again in fellowship and in service to our beloved community.

Our outdoor coffee hour after worship on the Plaza has been very successful, offering long-awaited in person connection. Many of all ages have expressed gratitude to be able to visit with each other again out in the sunshine, old friends and new faces alike. Our Next Steps Weekend will provide another opportunity to come together and share information. We will take time to express our vision, our hopes, and our dreams for a bright future. We will be laying the foundation for what will be a several years' long process. These preliminary project plans must develop before any substantive fundraising effort is undertaken.

We continue to get feedback from UUA, in different forums, about ours being a "miracle church", to have survived and in many ways thrived during this fraught time. GA is approaching and I will be attending virtually. I hope other Board members will sign up, either virtually or in person along with Rev Jessica making the trip out to Portland. If any of you are able to sign up to be delegates representing First Parish, it would be wonderful to have a robust showing from our congregation and the Board.

Sincerely, Susan Smith President

Director of Lifespan Religious Education <u>Twinks Hastings Board Report</u> <u>May 2022</u>

Overview

CYM is starting to wrap up for the year, we are into the last month of programming with the closing service being on June 5th. We have such a great momentum going with the families it pains me to not provide programming June-September but with me being off July and the absolute burnout of the CYM volunteers we will be moving to summer childcare starting June 12th for this year. We will need one cori'ed adult volunteer each week in the summer.

Volunteer recruitment

One of my goals this year was to have the programs for next year chosen really early so we could work on volunteer recruitment early. For the next several weeks I will be signing folks up during coffee hour. Creating a bank of coried and trained subs who can step in at the last moment is a priority for me.

Childcare Hire

I am so pleased to finally report that we hired Dani Goss as our new childcare provider. Dani did a trial with us last Sunday and all reports came back glowing from teachers and kids. I look forward to working with Dani seeing all that she will bring to our nursery program. Claudia's last Sunday with us will be June 29th and she has agreed to return for another year in September which is great news.

Childcare

As we come out of the pandemic we want to work on making sure that the culture of making sure that childcare is available is normalized at all church events. This will start with leadership, as you are planning events remembering to request childcare and have it as part of the registration process. Some examples coming up are the next steps weekend and the annual meeting. There are details to be worked out on the process but one thing I do want to bring to the board is that the current rate of babysitting on Cape Cod is \$20 - \$25 an hour and in the summer, when childcare is in great demand, as an adult I can make upwards of \$40 an hour. Claudia and Dani will not always be able to cover, and we currently pay Claudia \$15.15 and hour and she has worked for us for 4 years and Dani \$15 who is starting this week, Ultimately I would love Claudia to receive a pay rise this year, however for events they cannot cover we will have to pay a higher rate and so that seems like we should be able to offer our childcare staff that same rate for events.

Trauma Response Team

This team is wrapping up after a successful event on the 24th. It was a joy to serve on this team and gain deep skills and learning on how to hold a community in crisis. I wish we hadn't had to form, but I am better both in my job and in my soul for it.

The Pews

There appears to be some sort of communication error with the situation regarding moving the front pew on the left hand side to allow the children's area to relocate there. I have in my notes, when this was approved by the board in 2019 (then covid hit and it didn't happen) and so came back to the board in 2021 for re-approval and was asked to do the listening circles which I did, and then it was approved in a consent agenda. Last week it was denied at Endowment as it hadn't been approved by the board. I am asking for approval on that project in this consent agenda.

Professional Development

After declining the president position of the NELREDA board I did sign up to serve another two year term. I will be participating in GA virtually with colleagues in Boston, and am hoping to attend a pastoral care workshop or a spiritual nurturing workshop in June. I will also be attending a spiritual practice workshop in June.

Conclusion

Now that Rev Jessica is back I feel the load slowly lifting from my shoulders and it's a great feeling. I am proud of the work I have done with CYM and in the wider community at this time and feel able to recognise my own growth which is a new feeling for me. The leadership and colleagues I work with at First Parish are undeniably incredible and to be sitting where we are at this point in the pandemic whilst also walking through the loss of Penelope, is really amazing. I wish we could celebrate more of that, and let go of some of other things we give our energy to.

Report from Administration and Finance Director – May 2022

Financial Highlights & Pledges (see the cover page of the financial reports for more info)

- April 2022 Financial Reports (unreconciled) show a deficit of -28,484 without the \$53,653 surplus that ia budgeted and a checking/savings balance of \$160,369.16.
- For FY21-22, we have received, as of 5/12/22, 205 pledge units for a total of \$378,474.
- For FY 22-23, we have received, as of 5/12/22 160 pledge units for a total of \$329,482. A handful of people have responded to the recent message from leadership by increasing their pledges. I will be sending out statements reminding people of their remaining pledge balances and encouraging them to get them in before June 30th if possible and if not to let us know.

Property Management

- It has been wonderful to have Dave Caolo as our Sexton. He has jumped in with enthusiasm and ease and is a pleasure to work with. Please help me remind people that they can make sexton requests through the online form that can be found on the FAQ/Forms page on our website. He is typically on campus Monday Friday between 3-6pm (2 hrs each day with times varying slightly) and Sunday 9-12. He is already creating inventory lists, organizing spaces, securing handrails as well as supporting for our events and services in a variety of ways. He will join the Building Maintenance Committee this week for his first meeting, and I feel very confident that he will be to speed and capable of property oversight by the time I leave for sabbatical.
- Our Spring Clean Out Community event was a success!! The Building Maintenance Committee spent their March and April meetings sorting out decades of collected items in the attic and basement. On April 30th we had 13 people give their time and energy to work together to load a 24-yard dumpster in a productive and fun quick 2 hrs. It feels like quite an accomplishment working together to create some space for new creativity and growth right before our Next Steps Weekend.
- The Building Maintenance Committee and I submitted a request for Endowment Distributions for projects that are needed throughout campus, some of which has been postponed due to the pandemic. The Endowment Board had already approved the funding distribution for the Steeple repair for FY23 and were reluctant to approve anything from the list for FY23 without the input of the Board of Trustees. This is different than the process that I have experienced in the past, but nothing about this year has been normal. They did approve two items from the FY23 request to be expensed in the current year and ask that another Building Maintenance Committee member besides me attend the June meeting to provide more information on the funding request. Endowment asked that the Board of Trustees take a look at the request and advise. I have included the updated funding request in this month's Board packet. Typically, requests go to the Endowment Board for approval than to the Board of Trustees for final approval.

Administration as Ministry

- The Sabbatical Admin Hiring Team have scheduled a second interview for May 19th, where we will give the candidate a brief campus tour and then Rev Jessica and I will do a second interview. I am hopeful that we have found someone to provide the administrative support needed during my sabbatical.
- I have been onboarding new staff, meeting with the 4 staff I supervise plus support all staff as needed.
- It has been a very busy month with the anticipation of Rev Jessica's return and preparing for my sabbatical. I am sure there are so many things that I should include in this report but there's been a lot of just putting one foot in front of the other. I am touched by the support I have received regarding my sabbatical. Many people have taken the time to say how glad they are that I am doing it.

Sustainable Leadership

- My last day before going on sabbatical will be July 7th, and I will return November 7th. This allows me to do a few essential tasks before my leave that cannot be done before July 1st.
- During Rev Jessica's leave I started meeting with a coach monthly and have found it quite insightful. I look forward to learning more about how systems theory can be applied to issues that arise within our congregation. This expense is covered by my professional development funds and benefits the community by allowing me to further grow my leadership abilities.

First Parish Brewster Unitarian Universalist **Endowment Fund Distribution Request Form**

5/12/22

Submitted by Building Maintenance Committee and Karena Stroh, Administration & Finance Director

Amended request since original Endowment review on May 3, 2022. The list includes items that have accumulated over several years with all the financial uncertainty during the pandemic. All projects that were on the original list are on this form but have been reordered or postponed based on the Building Maintenance Committee's understanding of funding limitations. Thank you for your consideration.

FY21-22 Additional Amount Requested: \$1,000

FY22-23 Amount Requested: \$15,300 not including steeple repair money already allocated from prior requests \$24,900)

- 2. Dawes Hall front steps -- repair the bricks & iron railing for now \$1,000 Approved at May 3rd meeting

FY22-23 Projects:

- 1. Further electrical evaluation to address long standing issues and prioritize fixing lighting outside PH/MH \$4,000 (split expense over two FY)
- 2. Barn west side and door on deck needs painting \$9,450
- 3. Power wash the Meetinghouse \$1,850 This needs to be done to get an accurate idea of what painting will be needed on the exterior of the Meetinghouse.

Postponed Projects: Request Deduced by \$10,400

- 1. Creating family area in Meetinghouse \$3,200 Question about approval process to Board of Trustees

The floors need refinishing quite badly, but are mostly covered up with rugs to prevent further damage. This was an approved project for 21-22 that was pushed due prioritizing the air filtration systems.

May 2022

Rikki Bates as Audio Visual Tech Support has been working on organizing our AV equipment and recommends that the following equipment is no longer needed at FPBUU. We request that the Board approve the request to get rid of the following items that we no longer need or use:

5 disc cd changer TC electronics multi effects processor Two 1/3 octave equalizers Behringer 4 channel compressor/gate 48 point patch bay TOA 900 series II rack mounted mixer amplifier

Budget Review – Karen Witting

We request the board approve the following budget to be presented and voted at the Annual Meeting on June 12.

This budget is a hopeful budget. It uses most of the \$73,000 surplus remaining from 2021-22 with the hope that through the next year the congregation will find a way to make a balanced budget for 2023-24 possible. We chose to hold 10K to be used to balance next year's budget. This is considerably less than we had hoped, but anything more than that would have required very painful cuts in expenses to the 2022-23 budget. If those painful cuts are needed, let it be only after we have communicated this problem clearly to the congregation and given them a chance to respond.

These are the changes from the budget as presented in April:

- We chose to use a pledge amount of \$360,000. This is considerably more than pledges to date, which were \$330,000 as of May 10. We felt that this number was both hopeful, in that it assumes the congregation will step up their pledges in the next year but is also cognizant of the challenging economic environment. Last year's pledge number was \$375,378. (line 4)
- We cut the amount for UUA dues from last year's number of \$25,000 to \$18,000. The UUA has requested we pay \$31,545. (line 84)
- We cut out six weeks of cleaning, including only 46 weeks of cleaning rather than the requested 52 weeks. (line 65)
- We cut money from committee requests and zero' d out committees that did not submit a request. (lines 87,88,90-93)

Discussion:

- Significant Deficit Budget This budget shows a \$63,292 deficit (line 120) which we cover by using most of the remaining surplus resulting from our receipt of 150K of government PPP funds. We have reserved only 10K for use in the 23-24 budget. This means that if income and expenses stay the same for 23-24, we will need to find a way to balance a 53K deficit. And, if we include cost of living increases for staff, this number grows to more than 73K.
- It is the intention of the finance committee to communicate this potential disaster multiple times during the coming year. We are hopeful that with support from the Board and Minister, the congregation can find a way to balance this potential deficit so that the finance committee does not need to consider extreme solutions.
