Upper Cape World Cup Family Watch Party

A Multicultural Community Celebration

FAMILY-FRIENDLY

• FREE ADMISSION

• OPEN TO EVERYONE

Dear Community Partner,

Five Cape Cod organizations have joined together to create a celebration that brings our community together through culture, connection, and the excitement of the FIFA World Cup Final.

The **Upper Cape World Cup Family Watch Party: A Multicultural Community Celebration** is a free, family-friendly event featuring a live viewing of the World Cup Final, international food, music, cultural performances, children's activities, community resource tables, and opportunities to connect with neighbors from many cultures and backgrounds.

We invite your organization to join us by hosting a **Community Resource Table** and sharing the valuable programs and services you offer. Together, we can create an event that celebrates diversity, strengthens community connections, and highlights the organizations that make Cape Cod a welcoming place for everyone.

YOU'RE INVITED!

We would be honored to have your nonprofit organization join us by hosting a Community Resource Table during the event.

Participation is free of charge for nonprofit organizations.

This is a wonderful opportunity to:

- Share information about your organization's programs and services.
- Connect with families and individuals from diverse cultural backgrounds.
- Increase awareness of the valuable resources available throughout Cape Cod.
- Build relationships with other community organizations.
- Celebrate the diversity and strength of our community.

Our goal is to create more than a celebration—we want to build connections between community members and the organizations that support them every day.

If your organization would like to participate, please RSVP by **7/17/2026** by contacting:
